

In its capacity as an insurance broker, Wyckaert-Comarit SA/NV represents its clients and carries out its activities outside of any exclusive agency agreement or any other legal obligation that directly or indirectly obliges the firm to place all or part of its production with one or more insurance companies, or that hinders the unfettered choice of insurance undertaking.

In accordance with current AssurMifid & IDD standards, it is our legal duty, in the event no advice is provided based on an impartial and personal market analysis (option 1), to provide you with an overview of the totality of insurance companies with which our firm currently does business worldwide.

Given its continuously evolving nature, this is a non-exhaustive list and can be updated at any time. We therefore advise you to regularly take a look at our website.

Below is an overview of current relevant insurance undertakings, both in the case of non-life insurance, savings and unit-linked insurance, as well as life insurance other than savings and unit-linked insurance.
